## Flying Eagle A's General Meeting Minutes April, 2010

Meeting was called to order at 7:00 pm. by Vice President Jesse Baker followed by the Pledge of Allegiance to the flag. President Dennis VanEngen was absent due to knee surgery.

The only visitor was a very young one, Natasha. She is Darrel and Linda's grand daughter.

The minutes were approved as written in the Eagle A Newsletter.

Alicia read the Treasurer's report which was approved by the membership. She also reported she made new membership packages.

Sunshine reported sending cards to Dennis and Sandy Helyer.

Historian had nothing new to report.

Tour Coordinator, Jesse Baker, listed the dates for the remainder of the year. He noted all dates are subject to change...and probably will.

The tour to St Johns went very well with 6 Model A's and 2 Modern Irons attending. Everyone was delighted to have the Pastor and his Father (Chris) join the tour in the Model A purchased from Earl French, Co Tour Coordinator.

Classy Chicks Coordinator, Sandra Pargman, announced the up-coming Ladies Tours and reported on the last tour to the Tea Room.

No New Business was reported.

Old business regarding the magnetic name tags was co-ordinated by Sandra Pargman. A list of members wishing to purchase them and payment for same was collected. Sandra also found magnetic car signs for \$29.50 for orders 10 or more. A sign up sheet for the car signs will be passed around at the next meeting.

Earl French passed around sign up sheets for the Swap Meet booth and Coffee Stop fund raiser.

The meeting was adjourned for refreshments and social time at 8:30 p.m.

Respectfully submitted: Judy Pashon for Hal Pashon, Secretary

## Club Activities April 2010

### Expo Swap Meet

As part of the Club's fund raising activities, a stall was rented for this year's swap meet at the Portland Expo Center. Earl French coordinated the various aspects of manning the booth. Mainly the Club wanted to get a larger name recognition and recruit new members.

Thanks to all who helped and donated items to sell.

### Garage Day - Hal and Judy's Truck

With the truck being torn down for engine work, a garage day was initiated to correct the steering problem that had plagued Judy from the day she started driving it. Also the front fenders were removed to repair the beginnings of tears and to install a wheel well for a spare tire. Special thanks go to Jesse, Earl, John and Hal from Judy.

### Gee Creek Coffee Stop

The Club held a two day coffee stop at the North Bound Gee Creek Rest Stop. Organized by Earl French it went smoothly. The public was very appreciative of the opportunity to get a hot cup of coffee or tea and a couple of cookies. Special thanks to the members who gave their time donated cookies and items to make this fund raiser a success.
